

Hands On Session (LLMs)

Instructions

- 1- Follow steps in the notebook to understand fundamentals of a Language Model
- 2- Generate the main takeaways from the seminal paper « Attention is all you need » By Google. (scispace).
- 3- Design prompts based of the takeaways to customize an interactive presentation on Attention Mechanism (generate with AIPRM)
- 4- Generate an assessment deck with flash cards (Using the PDF of your presentation using Quiz Wizard)

Notes : Watch this video on how you can generate a owerPoint presentation with AIPRM to answer Q3 to 4 <https://www.youtube.com/watch?v=JmVWz2PFVA0>
